AT THE APRIL MEETING

Our April meeting presented a range of issues to the artist membership and our large group of hard-working associates. We reviewed a list of goals for '93 and further. To name only a few.....revising the constitution and the bylaws, collecting books and paintings, the upkeep and enhancement of the building & grounds.....and we planned an Outdoor Clean-up Date for April 15th. Our standing committees have begun to take shape. Shirley Young has volunteered to create a biographical volume to include all the artists and photos of their work.

Assignments of the '93 chairmen for the upcoming Associate Members' show are Lida Fry and Rachel Armstrong and for the Spring Exhibition, Joann Ballinger and Shirley Young. Bill Kusche will do the Summer Show. Norman Legassie has the Members' Exhibition and Al Vetromile will be in charge of the Fall Show. They all need lots of help for receiving days and hanging the show.

We were saddened to hear of the death of Mim Oberg of Old Lyme in March. Mim, a popular and prolific painter, was with us for only one year..

PLEASE NOTE: The receiving dates for the Associate Members' Show are MONDAY and TUESDAY, MAY 3rd and 4th, 4 to 7 PM. The reception will be on Saturday the 8th of May, 3 to 5 PM. We are looking forward to another outstanding show this year.....we have a very talented group of Associates.
